## ▲ Child Protection

Covering your responsibilities, signs of abuse and what to do if you have a concern about a child.

## ▲ Code of Conduct

How to maintain professional standards and raise concerns about children's welfare, based on the Teachers' Standards.

## ▲ Equality and Diversity

Aimed at increasing awareness of equality and diversity issues in schools, this title helps staff identify and deal with discrimination.

## ▲ Fire Safety

Written by experts TP Fire & Security, this course is a crucial introduction to fire safety for all school staff.

## ▲ Online Safety

Introducing the principles of online safety, covering statutory requirements, online risks and how to support pupils and staff.

## ▲ Preventing Radicalisation

Basic training on the Prevent duty: responsibilities, types of extremism, current concerns and practical safeguarding strategies.

## ▲ Safe Information Handling

A guide to protecting information, the GDPR, storing data and how to keep technology safe and secure.

## ▲ Whistleblowing

Looking at what whistleblowing is, when to blow the whistle, reporting a concern and the safeguards in place to protect whistleblowers.

## ▲ Academic Literacy

Outlining how teachers can help students to use academic language to communicate more effectively in exams and the workplace.

## ▲ Active Questioning

A practical method of getting more from the questions you ask during lessons.

## ▲ Active Reading

Outlining strategies that help pupils to interact with texts in lessons in a way that supports thinking skills and reading comprehension.

## ▲ Adaptive Teaching

Ideas and strategies to help teachers adapt their teaching to support all learners in the classroom.

## ▲ Assessment for Learning

An introduction to Assessment for Learning (Afl) with practical strategies to implement in the classroom.

## ▲ Broader Curriculum: Early Career

Helping NQTs and early career teachers to deliver a broad curriculum in primary schools.

## ▲ Cognitive Load

Outlines cognitive load theory and its implications for classroom practice and lesson planning.

## ▲ Collaborative Learning

Helping teachers promote a collaborative learning environment where pupils support each other.

## ▲ Computer Science at KS3

A course covering the basics of teaching computer science, with advice on software, the PRIMM approach and link learning.

## ▲ Developing Comprehension

Key guidance on how to support children's early comprehension skills by improving inference and deduction.

## ▲ Developing Stronger Writing

Helping teachers develop pupils' composition skills, especially at KS2.

## ▲ Effective Lesson Planning

Helping teachers to plan and design effective lessons.

**Embrace Challenge**  
A short course helping teachers to stretch their pupils to encourage effective learning.

**Engagement**  
Exploring ways to make the classroom engaging, drawing on prior knowledge, scaffolding and modelling.

**First Year of Teaching**  
Helping early career teachers manage the challenges of the first year of teaching, maintain a good work-life balance and set themselves up for success.

**Gender Equal Classroom**  
Increase your awareness of different perspectives on gender, inequalities and differences in achievement.

**Grammar for Writing**  
Introduces the principles and practice of teaching grammar in context.

**Grey & Invisible Students**  
A resource to help identify, monitor and improve the progress of middle ability students.

**Improving Boys' Writing**  
Helping teachers to support boys in developing their literacy skills.

**Improving Writing**  
Ideas for improving writing across the curriculum including talk for learning, links with reading and tips for modelling and using writing frames.

**Independent Learning**  
Helping teachers promote and support independent learning in the classroom.

**Inspiring Images**  
A course examining the benefits of using images in the classroom to enhance learning and improve engagement.

**Lesson Design**  
Helping teachers to prepare lessons which move learning forward in an engaging way.

**Managing Behaviour**  
A detailed guide to life in the classroom and how to manage challenging situations.

**Managing Time**  
Helps with the development of strategies to spend time more productively and effectively.

**Marking and Feedback**  
Outlining the features of effective marking and feedback, focusing on how to make it productive and manageable.

**Misconceptions in Science**  
How to challenge science misconceptions in the classroom to enhance student learning.

**Positive Classroom**  
Practical ideas to help teachers create a welcoming environment in which pupils can thrive.

**Primary Computing**  
This short course explores the key principles of teaching computing and its cross-curricular benefits.

**Primary Geography**  
Helping teachers to plan and teach geography lessons and assess pupils' understanding.

**Primary History**  
Supporting primary teachers with teaching, planning and assessment in history.

**Primary Maths**  
A guide to teaching primary maths and developing pupils' mathematical thinking.

**Primary PE**  
Helping teachers to understand the wider benefits of high quality PE, with advice on planning and assessment.

**Primary Science**  
Supporting primary teachers with teaching, planning and assessment in science.

**Promoting Inclusion**  
Strategies to reduce exclusions and improve the behaviour and attainment of children with complex needs or SEMH problems.

**Racially Equal Classroom**  
Increase your awareness of different ideas about race and racism, inequality in education and how to create a more inclusive environment.

### ▲ Reading and Phonics

Helping teachers to support children learning to read, focusing on the key principles of reading, writing and spelling.

### ▲ Reading into Writing

Helping KS2 and English teachers bring reading and writing together.

### ▲ Reflective Practice

Outlines ways to encourage pupils to reflect on their learning and ways for teachers to reflect on their own work.

### ▲ Resilient Learners

Exploring how teachers can encourage pupils to be more resilient and develop a positive and flexible outlook.

### ▲ Retrieval Practice

Explains the methods of recall and the importance of practising it in the classroom to ensure independent learning.

### ▲ Rich Texts

Helping KS2 and English teachers strengthen their text selections.

### ▲ Role of the Key Person (EYFS)

Helping the key person to understand and effectively carry out their role.

### ▲ Rosenshine in Practice

How to apply Rosenshine's principles to your teaching.

### ▲ Science Enquiry

Outlining ways to develop students' scientific mindset, evaluative skills, ability to explain and creativity.

### ▲ Science Exams

Discusses how teachers can prepare students for GCSE and A level science examinations.

### ▲ Science Practicals

Explores the benefits of practical work and suggests ways of using practicals to help students put learning into context and prepare for assessments.

### ▲ Secondary History

An introduction to secondary school history, including discussion on conceptualising, structuring and teaching history.

- ▲ **Socially Inclusive Classroom**  
Increasing school staff's awareness of social class, inequality in the classroom and how to create a more inclusive environment.

- ▲ **Songs for Learning**  
Featuring 32 original tracks and lyrics, this resource helps teachers engage and inform pupils using music and song.

- ▲ **Stop Cheat**  
Designed to help invigilators spot, deal with and prevent cheating in the exam room.

- ▲ **Storytelling**  
Providing tips, ideas and practical strategies to help teachers enhance the learning process through storytelling.

- ▲ **Study Skills**  
Guidance on helping students to develop vital study skills and become active learners.

- ▲ **Supporting EAL Learners**  
Outlining the challenges EAL learners face at school and what teachers, carers and other students can do to help them succeed.

- ▲ **Supporting HPA Students**  
Ways to support students with high prior attainment, covering theories of ability and creating an effective learning environment.

- ▲ **Talk for Learning**  
A short course for classroom teachers covering questioning skills, group work and talk for learning.

- ▲ **Teaching the Class Novel**  
Ideas and activities for teaching the class novel including developing reading skills, using drama and writing exercises.

- ▲ **Teaching Creative Writing**  
Helping teachers to enhance pupils' creative writing skills.

- ▲ **Teaching Non-Fiction**  
How to develop pupils' reading, analytical and writing skills, as well as their engagement with non-fiction texts.

- ▲ **Teaching Poetry**  
Supporting English teachers and departments to develop pupil engagement with poetry.

### ▲ Teaching RSE

Covering topics such as consent and inclusion, this course helps teachers prepare to deliver relationships and sex education.

### ▲ Teaching Shakespeare

Supports English teachers in developing a repertoire of teaching strategies to apply to any of Shakespeare's plays.

### ▲ Technology for Teaching

How to use ICT to support teaching and learning, both inside and outside the classroom.

### ▲ The EYFS Framework

A course introducing the Early Years Foundation Stage Framework.

### ▲ Working With TAs

A guide to working with and making the best use of teaching assistants.

**Alternative Provision**  
An introduction to AP, why we need it and how to choose an alternative educational programme.

**Attachment**  
Covering the history of attachment theory and its role in relationships and professional practice, with practical advice.

**Beat Bullying**  
Helping staff understand bullying, plus practical anti-bullying strategies and resources to use with pupils to discuss bullying.

**Considerate Form Tutor**  
Helping form tutors to meet their challenging responsibilities and improve the dynamics of their classroom.

**Family Issues**  
An introduction to family issues, including divorce, bereavement, domestic violence and sibling relationships.

**Learning Needs**  
Covering learning needs such as Gifted & Talented, learning difficulties, and behavioural and communication needs.

**LGBTQ+ Inclusive Classroom**  
Exploring history, language and practical issues, this course helps teachers increase their knowledge and promote an LGBTQ+ positive environment.

**Medical Conditions**  
Discussing the general issues surrounding long-term conditions and disability, plus information on many specific conditions.

**Mental Health**  
A guide to common mental health issues and how they affect pupils.

**Partnerships with Parents (EYFS)**  
Helping early years staff to build and maintain effective partnerships with parents.

**Social Needs**  
Covering a range of social and wellbeing issues, including staying safe, friendships, relationships and resilience.

**Supporting Adopted Children**  
Exploring how schools can support children who have been in local authority care, with guidance on admissions, funding and mental health.

- ▲ **Supporting SLCN: Early Years**  
How to support early years children with SLCN by deploying strategies such as appropriate interaction, modelling and vocabulary development.

- ▲ **Supporting SLCN: Primary**  
How to support primary pupils with SLCN by deploying strategies such as sequencing, modelling and multi-sensory approaches.

- ▲ **Trauma and ACEs**  
An introduction to the effects of trauma and adverse childhood experiences, with ideas for supporting young people and increasing their resilience.

- ▲ **Understanding ADHD**  
This short course introduces teachers to ADHD and the challenges faced by pupils with ADHD.

- ▲ **Understanding Autism**  
A course intended to help deepen understanding of autism, leading to acceptance and inclusion.

- ▲ **Understanding the Child**  
Detailed information on the medical, social, cultural and developmental needs that children may have.

- ▲ **Understanding CSE**  
Promotes understanding and awareness of what child sexual exploitation is, how to spot it and how to deal with concerns.

- ▲ **Understanding Dyslexia**  
Helping school practitioners, parents and carers understand dyslexia and develop a dyslexia-friendly atmosphere.

- ▲ **Understanding Street Gangs**  
Helping school staff and adults working with children understand gang culture and support young people at risk.

- ▲ **Working with Parents**  
Exploring how teachers can build relationships with parents/carers and encourage them to get involved in their child's education.

- ▲ **Year 7 Transitions**  
Helping teachers and form tutors support their students through the primary-secondary transition process.

**Being Resilient**  
Guidance to help rejuvenate staff and build resilience through focusing on achievable changes.

**Communication at Work**  
Ten key topics to help you improve your communication with others.

**CPD Explained**  
Helping staff to make the most of their training opportunities and embed professional learning into everyday teaching practice.

**Customer Service**  
Learn how to apply customer service skills with confidence in an education context.

**Managing Yourself**  
Ten key topics to help you improve your self-management.

**Relaxation**  
Features everyday exercises, visualisation tools breathing techniques and to help you relax and feel more in control.

**Staff Induction**  
Ensuring staff members have as smooth a start as possible to their new post at school.

**Stress and Wellbeing**  
A short course promoting greater staff wellbeing through identifying and managing causes of stress.

**Trainee Teachers**  
A short course designed to help you understand and prepare for the challenges of your training year.

**Working with Others**  
Ten key topics to help you build strong relationships in the workplace.
